**MONDAY, MAY 25, 1953**

**14th ANNUAL OAKWOOD AUCTION**

**C. B. Teegardin & Sons, Owners, Ashville, Ohio**

**Hal Longley, Sale Manager, 16 So. Locust St., Aurora, Ill.**

Never has a sale offering contained so many daughters of International grand champion bulls or daughters of bulls that have sired International grand champions. Never has Oakwood offered 11 bulls with better polled heads, blockier bodies or richer ancestry.

These six daughters of Commander-in-Chief x, Oakwood Leader x and Oakwood Bequest x will sell in this sale carrying the service of the 1953 International grand champion S-G Admiration x. They're the kind upon which better herds are built.

### PLEASE NOTE

The Annual Spring Show and Sale of the Ohio Polled Shorthorn Breeders' Association will be held at the Fair Grounds in Circleville, Ohio on Tuesday, May 26th, the day following our sale. We will be glad to cooperate with that organization in assembling and shipping cattle bought in both sales. Circleville is 12 miles south of Oakwood Stock Farm.

## General Information

This auction sale will be held at Oakwood Stock Farm owned by C. B. Teegardin & Sons, Ashville, Ohio, on Monday, May 25, 1953.

The sale will start at 1:00 P. M., Eastern Standard Time. Lunch will be served at the farm.

Oakwood Farm is located 16 miles from the city of Columbus, Ohio. To reach the farm from Columbus, take U. S. Highway No. 23 south, ten miles to Oakwood Stock Farm sign at cross road. Turn left and go through Duvall, Ohio, six miles east to Madison Township School. Turn right to farm—one half mile.

**We ask all who travel by train to advise us in advance so that we can meet them in Columbus.**

We suggest that you arrive the day ahead of the sale so that you will have an opportunity to inspect the Oakwood herd of breeding cows as well as the herd bulls.

The auctioneers will be Paul Good, C. D. Swaffar, H. W. Walker and Stanley Perkins.

Those unable to be present and who desire to do so may send buying orders to any of the following men, all of whom will be in attendance:

- Hal Longley, The Shorthorn World, Aurora, Ill.
- Ned Place, The Shorthorn World, Wapakoneta, Ohio.
- Don Longley, The Shorthorn World, Aurora, Ill.
- Allan C. Atlason, American Shorthorn Breeders' Ass'n., Chicago, Ill.
- Clinton K. Tomson, 125 S. Third St., Geneva, Ill.
- Claude Tipton, Indiana Farmers' Guide, Troy, Ohio.

# We Invite You . . .

We extend a cordial invitation to all who are interested in Polled Shorthorns to be with us on the occasion of our Fourteenth Annual Sale.

We are proud of the consistency of performance of our productions in the show rings of the past thirty-four years. We take pride in the contributions to progress made by the animals offered in the auction sales of the past. That many herds have been strengthened is a matter of record.

We have always realized that quality counts, and today more than ever, it is true. Each year we have tried to bring forth an offering stronger than any previous one. We leave to our public the final judgment as to what measure of success has been ours in these efforts. In this year's offering we have added what we consider the best lot of top notch brood cows ever sold. The Greentree herd was builded with care and sound judgment. Top animals went into the foundation. We selected only the animals we deemed worthy, by their performance, by their individual excellence, and by their inheritance, to become members of our own breeding herd.

We are selling them all, without reserve, in this sale. They speak for themselves and they bespeak our judgment of their future worth to you, the public, who aspire to breed better Polled Shorthorns.

The bulls, from top to bottom, are our best offering. The younger females, both bred and open, are of the usual Oakwood standard.

We feel that our herd bulls, and their records as sires, should allow fullest confidence in the cattle sired by them and in the females mated to them.

No sale offering has ever contained as many animals that we feel we should retain at Oakwood.

*Paul H. Keggardin*

Two beautiful daughters of Oakwood Bequest that will sell in this auction. They are: Oakwood Rosewood 35th x (Lot 12) and Nonpareil of Oakwood 3d x (Lot 14).

***"The Oakwood Kind"***

**"GOOD WILL is the  
disposition of a satisfied  
customer to return to  
a place where he has  
been well treated."**

—From Ruling 106, No. 81 of the  
UNITED STATES SUPREME COURT

**A**ND HERE we show you "The Oakwood Kind" . . . the perfect combination of good individuality and good ancestry. They are daughters of Oakwood Leader x and both were sold in the 1952 Oakwood auction. At the left is Oakwood Good Fortune 2nd x purchased by Hi-Ho Farms, Phoenix, Maryland, at \$4600, a new record high for a Polled Shorthorn female. At the right is Oakwood Lady Mayflower 3rd x, purchased by Sporting Field Farm, Capon Bridge, West Virginia, at \$2100. We are proud that "The Oakwood Kind" are appreciated by such critical buyers.

## Guarantee

All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

## Terms

The terms of the sale are cash.

## Health

The Oakwood Polled Shorthorn herd is Federally Accredited for Tuberculosis and is tested regularly for Bangs Disease. Health charts will be provided that will comply with the regulations existing in any state. We practice calfhood vaccination at Oakwood and all calves are pretested and clean before vaccination.

## Headquarters

Headquarters for our sale will be at the Neil House in Columbus, Ohio. Our farm is located 16 miles South of this city. If you come to the sale by car, please invite your neighbor breeders to ride with you. If you come by train or bus, simply go to the Neil House in Columbus and we will provide transportation to the farm if NOTIFIED.

We will do everything in our power to insure the safety of sale day guests but we assume no liability for accidents of any nature.

Like them? Yes, they're selling too. They are Greenlea Mamie 2d x and Greenlea Lavender 2d x, Lots 26 and 25.

**"There will always  
be a hearty welcome  
at Oakwood Stock  
Farm for those who  
share our love for  
good polled Short-  
horns."**

Here are the people who represent Oakwood Stock Farms . . . Paul, Clara, Carol and Paul, Jr. They are looking admiringly at the cow Oakwood Myrtle 4th x and her heifer calf by Oakwood Mainstay x, the 1950 International reserve champion. Both the cow and the sire of the calf are by Commander-in-Chief x. Oakwood Myrtle 4th x was the senior and reserve grand champion female at the 1952 International. Her calf will be our junior yearling heifer at 1953 shows.

# Not just one year . . EVERY year!

Go back over the records of the International and other leading shows for a QUARTER CENTURY and you will find that Oakwood bloodlines are responsible for the top winners EVERY YEAR.

(Above)—First prize junior get-of-sire at the 1952 International, sons and daughters of Oakwood Conqueror x. In 1951 and 1950 we won first prize in the get-of-sire class on the sons and daughters of Commander-in-Chief x. You'll find calves by ALL of the Oakwood sires at the very top EVERY year.

(Left)—Here they are . . . Oakwood Myrtle 4th x and Oakwood Gladness x. They won first prize for pair of females at the 1952 International. They won the same prize when shown as yearlings in 1951 and as calves in 1950. Three times in a row! It's a new record for any breed.

## They're Doing Well For Those Who Bought Them In The 1952 Sale

What kind of folks buy them? They're the folks who appreciate **QUALITY** and **GOOD BREEDING**. These four beautiful heifers were sold in our 1952 sale and are now in four different states. You'll find them in the herds of Creekland Farms, Clinton, South Carolina; W. L. Bullis, Rockville, Maryland; Chas. A. Paugh, Macedonia, Ohio; Archwood Farms, The Plains, Virginia.

## And These Will Do Equally Well For Those Who Buy Them In The 1953 Sale

Who will be the owners of these beautiful heifers, daughters of Commander-in-Chief x, Oakwood Bequest x and Oakwood Lodestar x. All are to be sold in the 1953 Oakwood Polled Shorthorn Sale. From left to right they are: Landen Red Fancy x (Lot 24), Nonpareil of Oakwood 3d x (Lot 14), Sporting Field Red Lady x (Lot 30) and Oakwood Rosewood 35th x (Lot 12).

The foregoing records prove many things. They prove that the Oakwood type is the RIGHT type. The large number of top awards in the group classes prove that Oakwood Polled Shorthorns are UNIFORMLY GOOD. Most important of all, they prove that Oakwood herd bulls are at

**Whether you buy  
or not, we want  
you with us at  
Oakwood on  
May 25th**

This is not just an ordinary cattle sale, in fact it is much more than the average of Oakwood Sales, since it includes the tops from this great herd as well as a dispersion of the famous herd formerly maintained at Greentree Farms. Each page of this catalog provides convincing evidence that the Teegardins have gone all out to provide the finest offering in Oakwood history for the 1953 auction. Although the pictures are indicative of great quality and the pedigrees are unusually strong, my inspection of the offering convinced me that the cattle are even better than this catalog can possibly portray.

Elsewhere in this catalog appears a list of the names of breeders who have purchased the cattle in the thirteen previous Oakwood auctions. Although such lists are frequently uninteresting, this one indicates clearly that Oakwood productions are appreciated by the best judges of the breed and that distance makes no difference to the cattlemen who want to be SURE.

For more than a third of a century the owners of Oakwood Stock Farm have taken the champions of the greatest live stock shows as their pattern and have made use of the blood of these champions in moulding animals of superior type and quality. The 1953 sale offering is a wonderful testimonial to their efforts.

## Did You Know That . . .

a total of 582 head of outstanding Polled Shorthorns have been sold in the thirteen Oakwood Auctions for a total of \$476,365 and a general average of \$818.00?

Were they appreciated? We believe the answer to this question is obvious. A total of 192 different breeders have bought them and most of these men have been repeat buyers.

Is the interest in Oakwood productions widespread? Study the list that follows! The cattle in thirteen Oakwood auctions have been scattered to 27 states, one Canadian province and two foreign countries. Add to these the scores of breeders who have bought at private treaty and you will agree that Oakwood productions are at work wherever good Polled Shorthorns are known and appreciated.

In the thirteen Oakwood auctions 104 bulls have averaged \$1094 and 478 females have averaged \$758. Oakwood Polled Shorthorns are within the price range of every breeder who is eager to work **SURE** improvements.

The list on the following pages will show the widespread distribution of the cattle that have been sold through thirteen previous Oakwood auctions. We believe the list to be complete, although errors are possible. If any name has been omitted, it is purely an oversight. We are proud of this list and equally proud of scores of others who have bought privately but whose names were not available when this list was prepared. In studying this list we believe you will agree that the best judges of the breed have been Oakwood patrons. Here they are . . . the "Oakwood Roll of Honor":

## Commander in Chief x

"Sire Supreme" is our title for Commander in Chief. The winnings in the strongest shows of 1950-51 and 52 by his calves, and these winnings are a matter of record, is evidence conclusive of his right to that title. Such a record bespeaks the potency of his blood. His son, Oakwood Mainstay, the 1950 Int. Reserve Grand Champion, is represented by calves in this sale. His son, Oakwood Predictor, the 1951 Int. Reserve Grand Champion bull, is a featured service sire in this event and the calves here at Oakwood bespeak his ability as a sire. See them. They please us and they promise well.

See Oakwood Myrtle 5th on Sale Day. She is evidence of the virtue of line breeding the blood of Commander in Chief. Her dam, Oakwood Myrtle 4th, the Senior and Reserve Grand Champion female at the last International, is by Chief, and her sire, Oakwood Mainstay, is a son. The heifer exemplifies the potency of this blood.

Commander in Chief is an old bull. We do not know how much service is ahead of him. We might well expect that this would be the last sale in which his service could be available. We are selling far more of his daughters than we can afford to spare. His sons and his grandsons, selling, are the kind you can own with PRIDE and PROFIT.

Take a look at the show records of the past three seasons! Compare the performance of his calves with those of any other Polled Shorthorn bull!

See the show herd we are fitting for the 1953 shows. Study the baby calves out of his last crop. Study the calves sired by his Int. Res. Gr. Champion sons, Oakwood Mainstay and Oakwood Predictor. To us, it all adds up to the fact that the blood of Commander in Chief is potent blood, tested, and tried, and we are happy to SHARE IT WITH YOU on May 25th!

**S-G ADMIRATION x** was crowned the Junior and Grand Champion bull at the 1952 International, in what we considered the fastest company we have met in twenty-three invasions of that tan bark classic! He was the ninth bull we have shown to this honor and we feel that he is the "best one of all". He looks a sire—grand head, with the eye of a breeding bull. He stands on strong bone, a leg on each corner. He possesses depth and thickness of body, combined with a rear quarter that is wide and deep. He's every inch a "Breeder's Bull". Break down his pedigree. Edellyn Royal Leader 2nd and Oakwood Leader are his two grand sires. Look at the third bracket of his pedigree. The All American Favorite sire, Edellyn Royal Leader, the \$5700 Gosshall Ximenes on both sides, then Oakwood Crown Command, son of the 1941 International Grand Champion, Coronet Command. Oakwood Leading Missie was the first calf bred by Carol. We sold her in our Nov. 1950 Sale with a breeding privilege to Oakwood Conqueror. We congratulate Chas. South and Frank Gallaher upon breeding such a worthy Champion and we take pardonable pride in having produced his dam and sire at Oakwood. We have confidence UNLIMITED in S. G. Admiration as a sire. We are mating him to some of the best brood cows at Oakwood and a limited number of females will be offered carrying his service.

## THE \$10,500 TOP SELLING BULL OF THE BREED

Owned jointly by M. E. Bemen & Sons and C. B. Teegardin & Sons

OAKWOOD DETERMINATION was marked for herd bull duty at Oakwood the day he was calved. He was sired by Commander in Chief, and his dam, Gloster of Oakwood B, was a champion daughter of Gosshall Ximenes. That gave Determination the background we wanted in a breeding bull, for we insist on the bulls we use being from outstanding dams, as well as being sired by proven bulls. As a calf, he developed as we hoped he would and today he is the same stock bull kind. Even in his breeding condition he is a bull that looks every inch a sire. We have four calves at Oakwood by Oakwood Determination. Each is a TOP PROSPECT. Bob Godwin, Brundidge, Ala., got the first one sired by him. He wired that it was a dark roan bull, "the best calf that ever hit the dirt in Alabama". Melvin Kiger 'phoned to tell us that his calf by Determination is the "greatest prospect ever dropped at his farm". It all gives us a feeling of justification of our decision on the day of his birth to keep Oakwood Determination here at Oakwood!

## Oakwood Conqueror x

Oakwood Conqueror was Grand Champion bull at the 1949 Ohio State Fair, and he was the first prize Senior Yearling bull at the International. He stood third at the American Royal, the highest rating accorded any polled bull in that National Show. He is an own son of Edellyn Royal Leader 2nd, he is also a grandson of the All American favorite, Edellyn Royal Leader.

Through his dam, he is a grandson of the \$5700 Gosshall Ximenes, son of the Perth Supreme Champion, Coldoch Union Jack. Calrossie Sweepstakes sired a son to be crowned Perth Supreme Champion. To us, he combines the "most of the best" in Shorthorn inheritance and wears it well with a polled head. His dam is the eleventh polled female in direct descent from the J. Dean Willis bred Nonpareil Chance, by Bapton Courtier. Glen Knolls Nonpareil was the top selling mature female in the Cherry Hill Dispersion and she produced the 1946 International Reserve Champion female.

Oakwood Conqueror sired S-G Admiration, the 1952 Junior and Grand Champion bull at the International. He also sired the first prize Junior Get of Sire at the same show, the only time we showed a Junior Get by Oakwood Conqueror.

We have mated a number of the Greentree cows and a few heifers to Oakwood Conqueror. We trust that you will share our enthusiasm for his service.

## OAKWOOD CONQUEROR x2496500

Red, calved Sept. 6, 1947. Bred and owned by C. B. Teegardin & Sons, Ashville, Ohio

---

At the right is Oakwood Bequest x, full brother to Oakwood Request x selling in this sale. He was the grand champion bull at the 1950 Illinois, Ohio, West Virginia and Maryland State Fairs. We had the misfortune to lose this outstanding son of Oakwood Leader x in August of 1951. This sale contains two sons and three of his daughters—the other daughters of this bull will stay at Oakwood. These calves should give a hint of the class and calibre of the calves to be expected sired by his full brother, Oakwood Request x.

---

---

At the left is Oakwood Mainstay x, the 1950 International reserve grand champion bull. He was sold for export to Kyalla Proprietary, Ltd., of Australia, at \$6,500, in December of 1950. We used him until the time of shipment and this sale has four of his sons in the offering. His only daughter dropped at Oakwood is to stay here.

## Oakwood Predictor x, 1951 International Reserve Grand Champion Bull

Oakwood Predictor started his championship winning career at the 1951 Illinois State Fair where he won his first Grand Championship. He closed his 1951 campaign at the International, where he was Reserve Grand Champion bull. In 1952 this great son of Commander-in-Chief made his first showing at the West Virginia State Fair, where he was crowned Senior and Grand Champion bull. He closed his career at the Southeastern Show, Atlanta, Ga., as Senior and Grand Champion.

He was a championship winner twelve times in the two seasons! Withal, we consider him to be of true championship calibre. He is one of the thickest bulls that we have ever owned. He is NATURALLY thick from stem to stern. He has the head of a sire, the eye of a breeding bull. His shoulders are smooth and his quarters bulging. In breeding condition, he is the same kind of a bull.

Everyone who bought a heifer mated to Oakwood Predictor in our last sale, reports a top calf from his service. Lester Norton, manager at Creekland Farms, Clinton, So. Carolina, declares that the bull calf sired by Oakwood Predictor and out of Janesway Gloster 6th, is the best calf ever dropped at Creekland Farms.

We haven't enough calves by Oakwood Predictor, but we hope that you'll ask to see them on sale day. They will speak his praises beyond our ability to portray their promise.

His dam is a daughter of the 1941 Int. Gr. Champion, Coronet Command. His second dam is by the 1940 Int. Gr. Champion, Oakwood Commander. His third dam is granddaughter of Oakwood Rodney, 1929 Int. Gr. Champion.

We have mated a number of sale heifers to Oakwood Predictor, and you may expect these calves to be of the same calibre as those he has sired, to date.

His sire is Oakwood Conqueror x, he the sire of the 1952 International grand champion S & G Admiration x. His dam is the famous cow Oakwood Lavender 10th x, International grand champion female in 1938, she a daughter of Oakwood Royal King x. With so much championship blood behind him, we hardly see how he can fail. You will have the pleasure of seeing Oakwood Landmark x at 1953 shows.

At the left is Oakwood Flora 3d x. We consider one of the best ever produced at Oakwood. She was junior and grand champion in 1952 at the Illinois, Indiana and West Virginia State Fairs and at the Southeastern Exposition at Atlanta, Georgia. She was junior and reserve grand champion at the Ohio State Fair and Atlantic Rural Exposition at Richmond, Virginia. She is a daughter of Commander-in-Chief x and her dam was by Coronet Command x. A typical Oakwood production.

dence in him! He was a member of the first prize group of three bulls at the 1952 International. He was a member of the first prize group of two bulls at the International. He stood second in that strong show in class. He stood second at the Illinois and Indiana State Fairs. He topped his class at Ohio and West Virginia, being the Junior Champion bull in the latter strong horned show.

He is a much better bull today. He has bred cows and yet continued to improve in thickness, in depth of his body, and in his spread from end to end. He impresses one as a bull that will **CONTINUE** to improve! That's why we believe in him and that's why we hesitate to part with him. He looks the part of his inheritance and he's bred to breed on!

Oakwood Conquest x, a mighty promising son of Commander-in-Chief x and out of the same great cow that produced Oakwood Request x and the other bulls pictured here. We're keeping him to show and for herd bull insurance.

**OAKWOOD MAINLINER** x started his show career by topping the Senior bull calf class at the 1951 Illinois State Fair. Chas. Nickel made him Grand Champion the following week at the strong Crown Point, Indiana Show. He was Grand Champion bull at the Ohio State Fair the following week. At the New Jersey State Fair he slipped and hurt a leg which, of course, stopped his showing. We let him down and turned him out. He grew sound again in his leg and we started to use him. His first calves have arrived and we are highly pleased with them—they look RIGHT!

We had planned to keep him at Oakwood. We like the bull, we like his first calves, and we had planned to show him again this season. Furthermore, the producing record of his dam, Strowan Myrtle, gives us FULL CONFIDENCE in his worth as a sire. Remember, Oakwood Myrtle 4th, Senior and Reserve Grand Champion female at the 1952 International, is his full sister. See her

first calf on Sale Day—WE think she's a brood cow, as well as a show ring winner!

Strowan Myrtle's first bull sold at \$2000 as a calf in our 1946 Sale. Her first daughter, Oakwood Myrtle, was sold to Roy Hopper, Fredonia, N. Y., and she was mated to Oakwood Leader. The resulting calf was Royfield's Leader, 1950 Congress Grand Champion bull, sold at \$2750 to Helen and Henry Baum, W. Lebanon, Ind. Strowan Myrtle's second daughter went to Lynnwood Farm in our 1949 Sale, likewise mated to Oakwood Leader. Her bull calf, Oakwood Medalion, topped our 1950 Sale at \$4000 to Chas. Lusk, Bar-L Ranch, Houston, Texas.

Why SHOULDNT we believe that there is NO CEILING to the EARNING POWER of Oakwood Mainliner?

## They're all out of the same great cow as Oakwood Mainliner x

Oakwood Myrtle x, sold at \$875 to Roy Hopper, Fredonia, N. Y. Her first calf, by Oakwood Leader x, was champion at the 1950 Congress and sold for \$2,750 and now heads the Henry Baum herd in Indiana.

Oakwood Myrtle 4th x by Commander-in-Chief x. She was the senior and reserve grand champion female at the 1952 International and is still a member of the Oakwood Herd.

Oakwood Myrtle 2d x, sold at \$1,100 to Lynnwood Farm in our 1949 sale. Her first calf, by Oakwood Leader x, topped the 1950 Oakwood Sale at \$4,000 to Chas. Lusk, Houston, Texas.

Hal Longley knew we didn't want to part with Oakwood Mainliner x. He also knew our plans were to retain Oakwood Request x. He has prevailed upon us to walk both bulls into the ring and sell the bidder's choice. We have agreed to do just that. You choose the bull you want—we'll keep the other one—and YOU will be the new owner of a bull which we consider almost indispensable to Oakwood.

**OAKWOOD HEADLIGHT** is a red bull of much promise. Stock bull and sire, if we can pick one! Great bone, rugged, deep, smoothly turned and with a hide like a kid glove! He isn't a show bull, he's the breeders' kind that can SIRE show ring winners. And he can put bone and substance into them! His dam produced Oakwood Historian, sold at \$2000 to Tujay Farm, Sparks, Md., in our 1952 Sale. Her first calf, Oakwood Hope 9th, was the second top female at \$2650 in the 1951 Sale, going to Kyalla Stud in Australia. The second dam, one of our better brood cows, is a full sister to the \$4000 Oakwood Lieut. Commander, exported to King Bros. of So. Africa in 1945. The third dam, Oakwood Hope 2nd, is the dam of Oakwood Commander, 1940 International Grand Champion bull. With such a record of performance on the dam's side, plus being sired by Oakwood Mainstay, the 1950 International Reserve Grand Champion, Oakwood Headlight justifies his promise and his appeal as a SIRE!

Oakwood Compensation x

**OAKWOOD COMPENSATION** is an outstanding prospect for the critical herd bull seeker. A bull with an excellent head, he's very deep bodied, thick, wide from front to rear, he's level in his tail setting, and with a leg on each corner, he can do a lot of winning in the fastest shows. Sired by Commander in Chief, he brings new blood to Polled Shorthorns, for his dam is a daughter of the \$6000 Imported Crieffvechter Beacon, a granddaughter of Millhills Yesteryear, sire of a Perth Supreme Champion. The top open heifer in the Maxwalton Dispersion was a full sister to Oakwood Clara B, and another full sister in the Donahue herd, Sioux Falls, S. Dak., produced the \$4000 bull now siring top calves in the Findahl herd in Minnesota. This family has produced top cattle for generations and we consider Oakwood Compensation one of the best herd bullprospects to EVER leave Oakwood. He's right in color, he's right in type, he's right by inheritance and his new owner will be RIGHT in his ownership!

**OAKWOOD MAINSTAY, JR.** is very much the image of his sire at the same age and that just about tells everything! He has the head of a sire and the depth and thickness you like. He's wide, both going from or coming to you. Short legged, smooth as they come—yes, he's a show prospect and BRED to be a SIRE! He is a grandson of both Commander in Chief and Oakwood Leader. This gives him a double infusion of the blood of Lady Golden 5th and she certainly is one of the breed's great brood cows. Added to these facts, both his sire and his dam are grandson and granddaughter of Gosshall Ximenes. Moreover, you get a double infusion of the blood of Oakwood Emperor, 1936 International Grand Champion, for Oakwood Missie 12th is a daughter, and Oakwood Missie 14th is a granddaughter, of this noted sire. In our book, this three way combination of such PROVEN INHERITANCE simply assures the worth of Oakwood Mainstay, Jr., as a SIRE. If you want to put your herd in the top bracket, buy him—He could do it!

Oakwood Elect x

**OAKWOOD ELECT** is the image of his sire, Oakwood Bequest, with the same head, same depth and thickness, and the same spread of rear quarters. His dam, Oakwood Estelle 14th, has never produced a bull that hasn't been a real breeding bull. Oakwood Esquire, top bull in our 1942 Sale, was a son. Oakwood Commodore, used in the Butler herd in Wisconsin, was another. Oakwood Essender, sire of so many champions and sale-topping calves for A. C. Reynolds & Sons, Toney, Ala., was a third son. Oakwood Emulator, top bull in our 1947 Sale to Jas. Kirk, Maysville, Ky., was a fourth son. All top sires! Oakwood Elect was first prize Senior bull calf at the Illinois State Fair last season and he headed our winning pair of calves at that show. He can win AGAIN—and he can SIRE winners in the years ahead! Own him, he will prove himself!

**OAKWOOD PROUD CHIEF** will appeal to those who need a 100% de-horner. This son of the Sire Supreme, Commander in Chief, is out of an old cow whose calves have been universally good. In her 15th year, Proud Lauretta 2d is still a pleasing cow—deep, thick, and smooth. Here's another example of a calf that has "made himself", running with his dam on pasture until November, then weaned and pen fed with a dozen calves. Withal, he is a good one—smooth headed, rich in color, deep bodied, thick from end to end and smoothly turned. He can be the bargain of the sale and make some herd **BETTER KNOWN** as a source of **TOP POLED SHORTHORNS!**

**OAKWOOD MAIN LEADER** is a red bull that combines about everything we'd want behind our herd bull. He's a son of the \$6500 International Reserve Champion, Oakwood Mainstay. His dam is a heifer by Oakwood Leader and the granddam is one of the best breeding cows we have owned. Oakwood Esquire, top bull in our 1942 Sale, was a son; Oakwood Commodore was another; Oakwood Essender, sire of so many champions for A. C. Reynolds & Son, Toney, Ala., is a third; Oakwood Estimator, top bull in our 1947 Sale, selling to Mr. and Mrs. James Kirk, Maysville, Ky., is a fourth son. Yes, the third dam produced Oakwood Emperor, 1936 International Grand Champion. This calf has a smooth head. He's thick and level. He's full quartered and he's balanced. He'll make good as a SIRE! He looks the part and he's BRED THAT WAY!

		Brawith Bud 1926735 Roan, K. P. MacGillivray

**OAKWOOD GOLDEN CHIEF** is a very dark, even, rich roan—almost red. He is a son of the Sire Supreme, Commander in Chief, and a worthy son in every count. He has ample bone and substance—a calf with depth and thickness and a wealth of thick flesh—a great hide and a mossy coat. This calf has never been pushed, what he is, he has made of himself with his dam's milk and running to a creep. When I first saw Broadfield's Goldie, an ideal type, a brood cow's head and bred the best, I was determined to own her. She is a granddaughter of Duke of Killearn, son of Balmuchy Jasper. She is also a granddaughter of the MacGillivray-bred Brawith Bud, imported cow by the celebrated Scottish sire, Calrossie Broadhooks Bounty. Add to this heritage the blood of Browndale Goldspur, International Grand Champion, and Browndale Pilot, sire of many International Champions. The breeding of Oakwood Golden Chief and his promise as a herd sire should warrant much interest in his ownership!

Oakwood Pay Day x

**OAKWOOD PAY DAY** will appeal to many breeders, for he combines much to be desired. He is a dark rich roan. He has a smooth head that bespeaks another 100% de-horner. He's short of leg, he's heavy in his bone, and he's a smooth shouldered, wide quartered calf.

He is sired by the 1950 International Reserve Champion, Oakwood Mainstay, whose calves in the Kyalla herd in Australia are reported to be outstanding. His dam is one of our better brood cows, a sister to four of the best breeding females to ever leave Oakwood. Yes, this bull is the only one in the offering out of a daughter of the 1939 International Grand Champion, Oakwood Merry King, and a granddaughter of Oakwood Royal King, the peer of sires.

Our confidence in this bull is unlimited, for **PERFORMANCE** is **BRED INTO HIM!**

**OAKWOOD ADVENT**, a rich red son of Oakwood Bequest, has scale, thickness, and ruggedness. His dam has a splendid record as a brood cow. Her first son topped the 1925 National Polled Shorthorn Congress Sale at \$1500 and was exported to Australia. While at Avenel Farm in Bethesda, Md., last August, we found the best show prospect in their pastures to be out of a daughter of Augusta Lady 18th, the heifer that the Rapleys bought in our Nov. 1950 Sale. Northwood Farms, Macedonia, Ohio, chose a daughter of Augusta Lady 18th in our 1952 Sale and she promises well.

This bull will **MAKE GOOD!** Own him and he will carry on the tradition of his many times champion sire, Oakwood Bequest.

## *About the Females in this Sale . . .*

Never have we been so completely satisfied with the quality of our female offering! Not only are we selling the best of our own productions . . . heifers sired by the greatest herd bulls in Oakwood history, but also we are including the entire famous Greentree Herd, one of the finest collections of Polled Shorthorn females ever assembled. Note the liberal number of cows with calves at foot. And note the large number of females carrying the service of such sires as **S-G Admiration x**, the 1952 International grand champion, **Oakwood Conqueror x**, the sire of S-G Admiration and the other famous Oakwood stock bulls. Yes, it's really a treasure chest filled to the brim with golden buying opportunities!

**OAKWOOD GWYNNE** was the first prize Junior yearling heifer at the 1952 Indiana State Fair. She was the first prize Junior calf in 1951 at the New Jersey and Maryland State Fairs and the Atlantic Rural Exposition. She stood second at the 1951 International. She's a sweet headed, deep bodied, thick quartered show heifer today that can do a lot of winning in 1953 and make a top brood cow for the next twelve years. She is a daughter of Commander in Chief and she is out of a daughter of the great sire, Montezuma, who stood third for us at the 1950 International. Her second dam is a granddaughter of the 1939 International Grand Champion, Oakwood Merry King. Her third dam is a granddaughter of the 1931 International Grand Champion, Shadybrook Monarch. She is another daughter of the old Sire Supreme that should stay at Oakwood. We have mated her to Oakwood Conqueror, our champion son of Edellyn Royal Leader 2nd, who sired the 1952 International Grand Champion bull, S-G Admiration, and the first prize Junior Get of Sire at the 1952 International. She's easily one of the BEST brood cow prospects ever sired by Commander in Chief. She's the BEST daughter of Commander in Chief Oakwood ever offered—She'll DO!

Oakwood Rosewood 35th x

**OAKWOOD ROSEWOOD 35TH** could be one of the most valuable females we have ever sold. In fact, we are selling her only in an effort to make this our best offering. We need her at Oakwood and our breeding programme will be handicapped without her. We considered Oakwood Bequest the best bull, inch for inch, that we had produced up to the time he died in August, 1951. He had been the undefeated Grand Champion bull at the Illinois, West Virginia, Ohio and Maryland State Fairs in 1950. Oakwood Rosewood 16th is a grand cow, ideal in her type and a regular producer of top calves. She's a daughter of Oakwood Merry King, 1939 International Grand Champion, and that stands for much in our book. Recall her daughter who sold at \$2000 in our 1952 Sale to Hi-Ho Farm, Phoenix, Md. Oakwood Rosewood 35th is selling mated to S-G Admiralty, the 1952 International Grand Champion bull. If the calf is a bull he could solve your herd bull problem. If it's a heifer, she could be a priceless producer, for she will come from a family of the BEST! She's one of Oakwood's best.

**OAKWOOD MISSIE 24TH** is a thick roan daughter of Oakwood Bequest that has every right to "make good". She is a direct descendant of Edgcote Flapper, rated as the best Missie cow to come out of Scotland. Study the sires in the third bracket of her pedigree. First, Gosshall Ximenes, son of the Perth Champion, Coldoch Union Jack; Coronet Command, 1941 International Grand Champion; then, Oakwood Royal King, the peer of sires, himself Grand Champion at the International in 1930. Victor Prentice was sired by Prentice, one of the best sires ever used at Sni-A-Bar.

S-G Admiration is a great grandson of Oakwood Missie 12th, so we have mated Oakwood Missie 24th to Oakwood Conqueror. That's the way WE'D want her bred and we would expect a calf of championship calibre!

Nonpareil of Oakwood 3rd x

**NONPAREIL OF OAKWOOD 3RD**—Of all the females that we have offered down thru the years, Nonpareil of Oakwood 3rd is perhaps the "most of the best, wrapped up in one hide". That's the way we feel about her and some good judges who have seen her recently share our confidence in her. Oakwood Bequest, the undefeated Grand Champion of 1950 at the Illinois, Ohio, West Virginia and Maryland State Fairs, is her sire. His sire is Oakwood Leader, his grandsires are Gosshall Ximenes and the 1941 International Grand Champion, Coronet Command. Hillholm Nonpareil 2d is a granddaughter of the celebrated sire, Collynie Royal Barrage. Her dam is a granddaughter of the Perth Supreme Champion, Millhills Ransom. The third dam is by Collynie Victor Royal, son of Rosehaugh Mandarin. We feel that her inheritance matches her individual excellence. We also feel that she is entitled to reproduce her kind. We want to reserve the right to show Nonpareil of Oakwood 3rd this season. She is being sold with a breeding privilege.

**Certainly! We put a lot of good ones back into the herd**

Eight beautiful daughters of Commander-in-Chief x and Oakwood Leader x. They have gone back into the herd to insure that Oakwood Polled Shorthorns shall remain favorites the world over.

**but . . . the kind we sell are as good as those we keep.**

**Here's a group that will go through the 1953 Oakwood Sale . . . sweet, young heifers of superior beef form and backed by blood that will insure top results!**

Oakwood Lovely Lady 2d is a full sister to Oakwood Lovely Lady 4th, Lot 15 in this sale. In our 1950 sale she was purchased by W. L. Lyons Brown as a foundation heifer for the Ashbourne Farms Polled Shorthorn herd at LaGrange, Kentucky. Her first calf brought them more than the original purchase price.

**OAKWOOD LOVELY LADY 4TH** is being offered against our better judgment. Hal Longley insisted that we should sell a daughter of Oakwood Leader, even tho we had planned to keep all of them. Remember, the dam of the 1952 International Grand Champion bull was out of a dam by Oakwood Leader. We sold a full sister to this heifer in our Nov. 1950 Sale with a breeding privilege to Oakwood Conqueror at \$850. Ashbourne Farms, Prospect, Ky., bought her. That calf sold for \$1000 to head the Jenkins herd in No. Carolina in the 1952 International Sale. This heifer has the backing of Coldoch Union Jack, a Perth Supreme Champion. In addition, she has seven International Grand Champion bulls represented in her heritage. She has grown up the hard way, for we never intended to part with her. She is a smooth, level, balanced, breedy sort, as red as they come, and selling in her working clothes. We have mated her to the 1952 International Grand Champion bull, S-G Admiration. We cannot but wonder what that calf could be worth!

Oakwood Estelle 31st x

**OAKWOOD ESTELLE 31ST**—In our opinion, we haven't sold an Estelle of the worth of Oakwood Estelle 31st since we sold Oakwood Estelle 15th, top female in our 1941 Sale. She is only listed because of the desire on our part to make this our BEST offering, for we feel that she can write a chapter of PROGRESS. Certainly she has about everything, by inheritance, that we could write into a pedigree. She is a daughter of the Sire Supreme, Commander in Chief. Her dam is a granddaughter of the Perth Supreme Champion, Calrossie Mercury. Her second dam, a full sister to Oakwood Emperor, 1936 International Grand Champion bull, was a Grand Champion female at the State Fairs of 1939. We don't know her value, but what she costs isn't nearly as important as OWNING HER, if you want the BEST in POLLED SHORTHORNS!

**OAKWOOD GWYNNE 2ND** is not only a daughter of Commander in Chief, but she is also a full sister to Oakwood Gwynne. She is an excellent brood cow prospect, that's why we had planned to add her to our own breeding herd. Her dam was one of the most popular females shown in 1950, an excellent heifer that had brood cow PROMISE. She has PROVEN herself, as these two daughters will attest. This Gwynne family has been one of the best in the Fishpaw and Albert Robinson herds. Another one was the dam of the International Reserve Champion, Cherry Hill Royal Oak. This heifer could be one of the best breeding daughters of Commander in Chief. We will watch her performance with CONFIDENCE!

Gloster of Oakwood F x

**GLOSTER OF OAKWOOD F** is a solid rich red daughter of Commander in Chief. She looks every inch a brood cow and she comes from the Duchess of Gloster family that is so highly prized by everyone because it has produced so many of the breed's top cattle. Her dam topped the first Millbrook Sale. Maxwalton Gloster 87th is the dam of the 1947 International Grand Champion, Millbrook Crown. This is Clara's BEST heifer, and you'll recall that her full sister sold last year to Acadia Farms, Northfield, Ohio, as a foundation female in the great polled herd they are establishing. She has an outstanding calf by Oakwood Conqueror which was just dropped, and Betty Royon advises us that they are most enthusiastic about him. Gloster of Oakwood F is RIGHT in her type—RIGHT in her inheritance! A daughter of the Sire Supreme—her appeal should be universal!

Oakwood Myrtle 4th x, a daughter of Commander-in-Chief x and from the same family as Lot 19. Photo taken when she won first prize in the senior heifer calf class at the 1950 International. At the 1952 International she was the senior and reserve grand champion female.

**OAKWOOD MYRTLE 6TH** is a rich, dark, red heifer with the head of a breeding cow. Yes, she comes from a family that has an unquestioned record of production and profit. Her sire is a dark even roan, a great bull from any angle and one of the better sons of Gosshall Ximenes. He is the last calf out of Oakwood Rosewood 6th, one of the top producing daughters of the Peer of Sires, Oakwood Royal King. Her first calf, Oakwood Royal Rosewood, was sold in 1937 to E. L. Killen, New South Wales, Australia, and he has sired more championship and first prize winners in the Royal Easter Show than any bull in Australia. Regal Guard is a grandson of Oakwood Royal King. Count's Royal Standard 2nd is a son of Oakwood Royal Count, four times a first prize winner at the International. She sells mated to Oakwood Predictor, the 1951 International Reserve Grand Champion. That calf will have EVERYTHING you could WANT in it's pedigree!

**Oakwood Lady Mayflower 3d x, purchased by W. H. McCeney, Jr., for Sporting Field Farm, Capon Bridge, V. Va., at \$2,100 in the 1952 Oakwood Sale.**

**OAKWOOD LAVENDER 26TH** is included only as a BEST BET proposition. She is a sweet thing, when you study her, and she is something unusual as you unravel her pedigree. She is a daughter of Commander in Chief. Her dam is a daughter of Coronet Command, 1941 International Grand Champion. Her granddam is a result of mating the 1936 International Grand Champion bull, Oakwood Emperor, to the 1938 International Grand Champion female, Oakwood Lavender 10th, both sired by Oakwood Royal King, the 1930 International Grand Champion. No picture to show you, for we knew she wouldn't be offered. We like her from every angle—ideal in her color, correct in conformation and matchless in her inheritance.

Oakwood Happiness 12th x, shown above, is out of the same cow as Lot 21. She was purchased by W. L. Lyons Brown for Ashbourne Farms, LaGrange, Kentucky, in the 1950 Oakwood Sale.

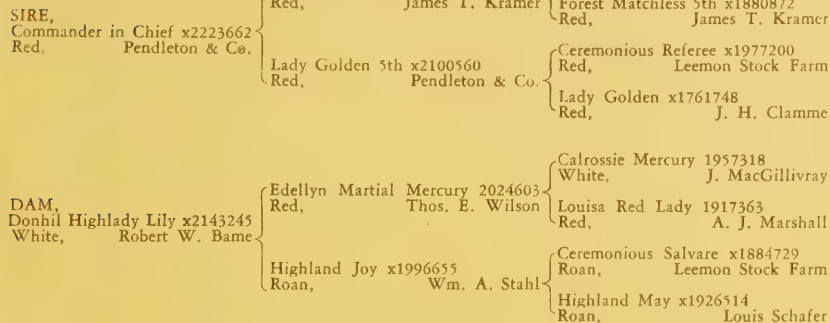

**OAKWOOD HAPPINESS 15TH** is another daughter of Commander in Chief we had planned to have spend her years at Oakwood. She is a good heifer in breeding condition, red in color, thick and well grown. This family has produced more of our best breeding cattle, both bulls and females, than any other family. To list them would be like calling the roll of champions and producers of champions. Oakwood Lieutenant Commander went to King Bros., Capetown, So. Africa, in 1945 at \$4000. His first son, Oakwood Ambassador, was exported to Uruguay, South America in 1946. Oakwood Happiness was the dam of Oakwood Harmony, three times a championship winner at the International. Oakwood Hope 2nd was the dam of the 1940 International Grand Champion bull, Oakwood Commander. Besides the influence of being sired by Commander in Chief, this heifer carries eight crosses of International Grand Champion bulls in her background. Owning her should enable some herd to face the future with CONFIDENCE born of ASSURANCE!

# OAKWOOD HIGHLAND LADY 3D x2736-654

Dark roan, calved July 18, 1952. Bred and owned by C. B. Teegardin & Sons, Ashville, Ohio

These four were sold in the 1950 Oakwood Sale. The heifer on the left is Oakwood Leading Missie x. She was purchased by South & Gallaher and is the dam of S-G Admiration, the 1952 International grand champion bull. The other three are foundation females in the herds of L & L Farms, Dothan, Ala., Chas. Lusk, Houston, Texas, and South & Gallaher, Franklin, Ohio.

**OAKWOOD HIGHLAND LADY 3RD** is a dark rich roan and another daughter of the old Sire Supreme, Commander in Chief. Her full sister, a year younger went to L. & L. Farms, Dothan, Ala., in our last sale. When we saw her in January 1953 we would call her one of the better females sired by Commander in Chief. In our Nov. 1950 Sale, South & Gallaher bought a daughter of Donhil Highland Lily who was carrying the heifer calf that topped the Junior heifer calf class at the 1951 Ohio State Fair. Another daughter of Donhil Highland Lily is at work in our herd, and she is one of our better young cows. See her—you'll like her bull calf sired by Oakwood Conqueror, too. Any daughters of Commander in Chief, out of a polled granddaughter of the Perth Supreme Champion, Calrossie Mercury, will become more valuable as the years roll by, and you'll find them NOT FOR SALE!

She is a Duchess of Gloster and this family has produced good cattle for generations . . . and THAT'S important, to OUR way of thinking! Lynnwood Ximenes has proven himself a top sire of good ones for Reeves and DeBusk. Her dam is a granddaughter of Browndale Commander, one of the breed's real improving sires—yes, few have worked greater advancement than he. Mated to Oakwood Predictor—that calf couldn't help but be THICK!

Landen Red Fancy x

**LANDEN RED FANCY** was the Grand Champion heifer at the 1952 Fall Sale of the Ohio Breeders. She could be a Grand Champion female in most any company and she can do a lot of winning in 1953 shows. We especially like her for she reflects the use of three Oakwood bred bulls in the hands of Landen Farms and Albert Robinson. We submit this heifer as evidence of the fact that Oakwood Lodestar was a good sire. Alpine Sensation was Reserve Grand Champion at the 1946 International. Oakwood Emulator, a son of Oakwood Merry King and out of the dam of Oakwood Emperor, topped his class as a bull calf at the 1940 Illinois State Fair. Oakwood Memory was a Junior Champion son of Oakwood Rodney, 1929 International Grand Champion. She's selling mated to the International Reserve Grand Champion, Oakwood Predictor. That should give her **UNIVERSAL APPEAL!**

**GREENLEA LAVENDER 2ND**—If you like them really thick, wide at both ends, and smoothly molded, then you'll like Greenlea Lavender 2nd. Her breeding is equal to her individual excellence. Her sire left a lasting impression on me when I saw him as a two year old; a sire's head, short legged, deep and full quartered. Oakwood Augustus King, a son of the 1939 International Grand Champion, Oakwood Merry King, was purchased in the 1943 Oakwood Sale. We owned Sunny Valley Lavender 5th and sold her to Greenlea. Today, she is one of the best cows you'll find anywhere, a fitting dam for such a heifer as Greenlea Lavender 2nd. Like Greenlea Mamie 2nd, she's bred to Stalwart Leader 2nd, son of Misty Vale Royal Leader, by Edellyn Royal Leader 2nd. We have Stalwart Leader 6th—see him on Sale Day. He is a dark roan, while Stalwart Leader 2nd is a rich red, but both are the SAME KIND, and their granddam, Cherry Hill Clara 2nd is also here at Oakwood. (picture of this heifer). Greenlea Mamie 2nd x

**GREENLEA MAMIE 2ND** is an even, dark, rich roan of correct pattern and promise. She's deep bodied, she's thick, she's low-set and she's smoothly turned. She's a quality package, through and through. Discriminating breeders will find her to their liking. The Ray Hunt Orange Blossoms have been popular and profitable for near a half a century. Their influence has been scattered over the U. S. and Australia. Good cattle, universally. Her pedigree is studded with bulls of known repute as sires. She is due to calve before Sale Day to the service of Stalwart Leader 2nd, who is a deep bodied, heavy boned, thick, red bull with a great head and who is a grandson of Edellyn Royal Leader 2d. We predict that this calf could well be one of ultra promise.

Stalwart Leader 6th x is a grandson of Edellyn Royal Leader 2d that will be exhibited by Oakwood at 1953 shows. He is a brother to Stalwart Leader 2d x, the service sire of Lots 25, 26 and 27.

**GREENLEA ORANGE BLOSSOM 4TH**—Here's the third daughter of Greenlea Air Command, and another of the "profitable to own" Orange Blossom family. Her dam is a granddaughter of the 1939 International Grand Champion, Oakwood Merry King. She isn't carrying much condition and will not bring half her worth. She is due to calve July 25th to Stalwart Leader 2nd, same service sire as Greenlea Lavender 2nd and Greenlea Mamie 2nd. He's a TOP polled grandson of Edellyn Royal Leader 2nd. He has unusual depth and thickness, with a sire's head and front. See the calf out of Greenlea Mamie 2nd, then you'll know why this heifer is WORTH owning!

Miss Lavender 8th x

**MISS LAVENDER 8TH** was the Reserve Grand Champion heifer in the Ohio Sale last November. We liked her that day and we've grown to like her better every day since. She's a show ring pattern that looks like she could invade the winners' circle. She is a heifer with a grand head. She is deep bodied. She is thick all the way. She is short of leg and she's balanced. Anyway you look at her, she has eye appeal. A richly bred Lavender coming from a branch of the family that has consistently been tops. She is a granddaughter of the noted Lynnwood sire, the \$4000 Glen Knolls Monarch. Yes, her dam is a granddaughter of Maxwalton Walkaway and she carries a cross of Collynie Royal Barrage through her grandsire, Marellbar Waverly. She sells mated to Oakwood Conqueror, the sire of the 1952 International Grand Champion bull, S-G Admiration, and the sire of the first prize Junior Get of Sire at the recent International.

CH Red Lady x. After buying her in the 1952 Oakwood Sale, Fred Smalstig of Pittsburgh exhibited her at the Pennsylvania Farm Show and won the junior and reserve grand championship.

**SAND PRAIRIE ACANTHUS 7TH** is a red heifer of scale and depth that will make a grand cow. Remember, Misty Vale Superb sired the top selling heifer in our 1949 Sale and another daughter, Sand Prairie Fancy, sold to W. Lyons Brown, Ashbourne Farms, Prospect, Ky., in our 1952 Sale at \$2000. Her dam is by Maxwalton Walkaway, recognized as one of the breed's best known sires of top females. Her second dam is a granddaughter of Oakwood Regal King, a son of Oakwood Royal King, the 1930 International Grand Champion. This heifer is bred to Oakwood Request. Take a look at him and you'll have added interest in Sand Prairie Acanthus 7th.

S F Red Lady x

**S F RED LADY** is an outstanding daughter of Commander in Chief. She was the top heifer in the 1952 Sporting Field Sale and she was a most promising heifer at that time. Today, we feel she has fulfilled her promise and we consider her a heifer of TOP NOTCH calibre. She is a heifer with a brood cow's head, sweet-fronted and feminine. She is deep bodied and she is naturally thick. A smooth, balanced package of bovine excellence. She belongs to the Marr Roan Lady family, and the Canadian herd of H. M. Lee has long been noted for top cattle—cattle that breed on. We feel that S F Red Lady can be one of the most desirable females to be sold in 1953. She will always be among the top daughters of Commander in Chief. The calves by Oakwood Predictor have been so uniformly outstanding that we have mated this heifer to him. When you see them on Sale Day, we are sure that you will share our confidence in her mating.

			Roan,	

**GREENGOLD AUGUSTA** is a rich dark roan heifer of unusual inheritance. When we saw her we resolved to buy her to mate to the 1952 International Grand Champion, S-G Admiration. Her sire was the Reserve Champion bull at the 1948 Congress Show and Sale and sold at \$2000 for Lynnwood Farms. Edellyn Augusta 25th has the distinction of being a granddaughter of two Perth Supreme Champion bulls, Calrossie Command and Calrossie Mercury. Allendale Augusta 2d was sold in the 1944 Edellyn Sale, carrying a bull calf that was later bought by Edellyn Farms for \$2500. Averill Augusta, the imported cow, was by Cruggleton Bonus and she produced the great sire, Reigning Sovereign. This family represents the best Bertie Marshall breeding and this heifer will found a great family in any herd. We don't know her worth, but she's definitely the "worth owning" kind.

Oakwood Model Maker x, an outstanding son of Oakwood Conqueror, whose first calves promise that he may be one of the breed's top sires.

**ORANGE BLOSSOM LADY** is a rich dark red heifer that looks like a breeding plant. She's deep bodied, thick and wide. She belongs to the Cruickshank Orange Blossom family which has produced so many of our better Polled Short-horns. This heifer is due to calve before sale day to Oakwood Model Maker, a solid red son of Oakwood Conqueror, out of a dam by Oakwood Leader. He is a three-quarters brother to the 1952 International Grand Champion bull, S-G Admiration.

**Here's the kind you'll find in the Greentree collection**

A quartet from the Greentree Herd, all selling in this sale. From left to right, they are: Maxwalton Dainty 18th x (Lot 35), Lynnwood Augusta E x (Lot 37), Rosewood Alauna 9th x (Lot 36), and Tollgate Lavender 2d x (Lot 41). Cows like these are NEVER offered except in a dispersion.

# The Greentree Herd

I selected only those females that I would buy to keep in our own herd. In the group are some of the best cows I ever had an opportunity to own, in fact, I never had a chance to buy, as a group, females equal to them, for their kind are never for sale. These cows were mated to two grand bulls, both solid red, both 100% de-horners, and both bulls are excellent sires.

We would like to keep them all at Oakwood, but we cannot increase the carrying capacity of our limited acreage.

We had two choices. To take out the top ten females and sell the balance in the sale. The other choice, to do something different than we have ever done, **sell them all**, without reserve, in our May 25th sale. We have the utmost confidence in these females. We bought them that way. We will sell them the same way. We feel certain that the owners of established herds, along with those who aspire to breed the best in Polled Shorthorns, will appreciate this unusual opportunity to share in their ownership. Many of them will be re-mated to the "Sire Supreme," Commander in Chief, and to Oakwood Conquerer, the sire of the recent International Grand Champion bull, S-G Admiration.

**GREENTREE AUGUSTA B 6TH** is a rich, dark roan daughter of the \$4000 Glen Knolls Monarch, the Model Type Polled Shorthorn bull. We consider her a **MODEL TYPE** in Polled Shorthorn brood cow excellence. She has the head of a brood cow and she's deep and thick. She's smooth and balanced. She milks like a dairy cow. Her dam was the same kind! Her pedigree radiates **CONFIDENCE** in her **RIGHT** to be good. Every bull is a sire of recognized prestige and performance both as show bulls and as sires. She's a Bruce Augusta and **THAT'S RIGHT!** Her dark roan Jan. 15th bull calf is a herd bull prospect—great head—thick quartered. He is sired by Mayor Memory. She is selling mated to the "Sire Supreme", Commander in Chief. What she costs isn't so important—it's **OWNING HER KIND** that **PAYS OFF** in satisfaction and security!

Sand Prairie Vida x

**SAND PRAIRIE VIDA** is the best cow we know of sired by Maxwalton Walkaway, the 1942 Congress Reserve Champion. That is said with full knowledge of the fact that Maxwalton Walkaway is known universally as an outstanding sire of females. She is the dam of the junior herd sire at Greentree, Greentree Clansman, sire of four calves selling. She has a daughter in the offering. She has a red heifer calf at side calved April 2nd, sired by Mayor Memory, and she is a top prospect. Drive Sand Prairie Vida out with Maxwalton Dainty 18th, Tollgate Lavender 2nd, Lynnwood Augusta E, Greentree Augusta B 6th, Rosewood Alauna 9th, and you will agree that she is the SAME KIND. We'd call them the six BEST mature females offered in any sale in our memory.

**MAXWALTON DAINTY 18TH** is probably as outstanding a Polled Shorthorn cow as we can recall ever having been offered at auction. She is the kind, if you ever found her equal, that would never be available for your purchase unless you bought the whole herd! A strong statement, yes, we realize that it is, but just come and do your own thinking and your own looking. This Lady Dorothy family has been noted as producing the BEST cattle in the famous Maxwalton herd for generations. Her pedigree is studded with bulls that made Maxwalton history and they have made Shorthorn history. Her red bull calf, calved Feb. 16th and sired by Mayor Memory, is an outstanding herd bull prospect. Someday, he could write a chapter of Polled Shorthorn ACHIEVEMENT. She has been mated to Commander in Chief. That calf might well be equal to the best ever sired by the old Sire Supreme!

Rosewood Alauna 9th x

**ROSEWOOD ALAUNA 9TH** is an outstanding cow as measured by any yardstick. She's broody headed. She's deep bodied. She's short of leg. She's thick and she's as modern as 1953. Alauna Lord Collynie sired the 1946 Congress Champion bull, Alauna Collynie, now in service in the Bennett herd in Washington. Alauna Collynie has sired two Int. Gr. Champions and the top selling bull in the 1950 Congress Show and Sale. Alauna Lord Collynie sired the Grand Champion Female at the 1950 Congress as well. Daybreak's Creed was the Grand Champion bull at the 1945 Congress and his sire, Daybreak's Bud, was one of the greatest bulls ever produced by the Hultines. Rosewood Alauna 9th is a full sister to the Grand Champion female at the 1951 Iowa State Fair. She is due to calve Oct. 11th to the service of the 1952 Int. Gr. Ch. bull, S-G Admiration. 				Haylands Augusta 9th 1712626 Red, Haylands Farms, Inc.

**Oakwood Commander x, the 1940 International grand champion bull bred and exhibited by Oakwood Farms. He was a son of Collynie Sensation x.**

**LEESDALE AUGUSTA SUE** is one we like and we like her PLENTY! She looks every inch a brood cow, to us! Have a look at her dam, Lynnwood Augusta E. Like her? So do WE! She's bred to be good, too. Mayor Memory is a real sire, as the little calves at foot with the Greentree cows would indicate. His grandsire, Collynie Sensation, is the sire of Oakwood Commander, our 1940 International Grand Champion bull. His granddam is sired by Oakwood Memory, a Junior Champion son of Oakwood Rodney, 1929 International Grand Champion. Collynie Spotlight left many good breeding cows at Lynnwood. His sire, Daybreak's Collynie, was sired by the International Grand Champion, Lord Collynie, and out of Scottish Daybreak 9th, International Grand Champion female. This heifer and her dam can found a great family in any herd. They are the WORTH OWNING kind!

Brookdale Model x, shown above, is a half brother to the sire of Lot 39. Both were by Cherry Hill Clansman by Edellyn Royal Leader 2d. Brookdale Model x, bred by Thos. Piatt of Kentucky and owned by Alpine Farms of Missouri, was the first prize junior yearling at the 1951 International.

**GREENTREE AUGUSTA B 7TH** is a solid red daughter of Greentree Clansman. Her dam is also the dam of the outstanding Greentree Augusta B, selling in this sale. We had the misfortune to lose Lynnwood Augusta B 6th and this pair of heifers will attest to the fact that she was a REAL TOP breeding cow. This Augusta family has produced many of the top and winning cattle for Lynnwood. Cherry Hill Clansman is one of the country's best sires in the Brookdale herd of Thos. Piatt, Lexington, Ky. Lynnwood Nugget sired a lot of top cattle for Lynnwood and for Fred Johnson, including the \$5000 Champion Riverdale. Add to this pair, Edellyn Royal Leader 2nd, Maxwalton Walkaway, Fascinator, a first prize winner at the International who sired many winners, and Village Type, an Omaha Champion, that's what makes this heifer WORTH OWNING!

A lot of fine folks . . . all top-notch cattlemen . . . have bought Polled Shorthorns in Oakwood auctions. In 1950 the members of this group, from left to right, sold as follows: Elmwood Gloster 3d, sold to Mr. and Mrs. Roy Hopper, Fredonia, N. Y.; Oakwood Highland Joy and Oakwood Annette 3d sold to South & Gallaher, Franklin, Ohio; Oakshade Mayflower 6th sold to W. W. Rapley, Potomac, Md.; and Oakwood Gypsy Maid 2d sold to Melvin Kyger, Circle-Ville, Ohio.

**GREENTREE GEM** is a real gem in type, in smoothness, and in balance. She's deep and thick and smoothly turned. She's a granddaughter of Glatwyn Sensation, the great breeding bull who has sired so many winners for the Clodfelters of Greencastle, Ind. She is deep in polled breeding and comes from a family that has produced well for many generations in the Yoakam herd. We had the misfortune to lose Greentree Gem's calf at birth so she is selling with a January 10th red bull calf at side, sired by Commander in Chief and out of the heifer, Oakwood Annette 5th, who is sired by Oakwood Leader. She is re-bred to the champion, Oakwood Conqueror, whose son, S-G Admiration was, the 1952 Int. Grand Champion bull. That calf could well be one of the BEST!

Oakwood Emperor x, the 1946 International grand champion. Tollgate Lavender 2d x, Lot 41, is by a son of this many times champion and sire of champions.

**TOLLGATE LAVENDER 2D** is our idea of a foundation female, truly the kind from which you can build a strong herd. She is ideal in her type. Deep bodied, thick, low-set, and she swings a splendid udder. A study of her pedigree lends assurance that she inherits her excellence. First, she's a Silverthorn Lavender, one of the best families in the herd books. Second, she's a granddaughter of Oakwood Emperor, 1936 International Grand Champion, he by the Peer of Sires, Oakwood Royal King, sire of four International Grand Champions. Leveldale Magnet is backed by generations of championship performance and Bridgebank Marshal was one of the top imported bulls to come from the famous Marshall herd. She has two daughters in the sale and she sells with a splendid, solid red, deep bodied bull calf, calved March 1st, and sired by Greentree Clansman. She is mated to the Sire Supreme, Commander in Chief—we feel that this should give her **APPEAL UNLIMITED!**

Marada Lavender 17th x, shown above, was purchased by Morris Bros., Aledo, Illinois, in the 1952 Oakwood Sale. She dropped a heifer calf by Oakwood Predictor x. Miss Lavender 8th, selling as Lot 28, is of the same breeding on the dam's side.

**GREENTREE LAVENDER** is a solid red cow who may well prove one of the better brood cows to be sold in 1953. She is by the same sire as Greentree Gem. Greentree has two of these daughters of Glatwyn Command and I took both of them. Her dam, Tollgate Lavender 2nd, is a cow we believe in all the way and a critical study of her will give you added confidence in Greentree Lavender. Her pedigree is loaded with bulls of known ability as sires, blood that has "carried on", and she's worthy of her heritage. She has a most promising red bull calf at side, calved April 8th, and sired by Mayor Memory.

Oakwood Good Fortune 2d x. Hi Ho Farms set a new record price for a Polled Shorthorn female when they bought this daughter of Oakwood Leader at \$4,600 in the 1952 Oakwood Sale.

**MAUD 10TH**—Imagine having an opportunity to own a daughter of Collynie Fascinator, sire of the \$4000 Collynie Compact, whose Get of Sire twice topped that class at the International, and who also sired three International Championship winning females. Imagine her dam being sired by the great King Collynie Jr., and the second dam, sired by Daybreak's Collynie, son of the International Grand Champion, Lord Collynie, and out of the 1931 International Grand Champion female, Scottish Daybreak 9th. Looks to us like we could call it an accentration of the best Collynie bulls and their breed improving influence. Maud 10th is a brood cow, not carrying a lot of flesh, for she milks like a dairy cow. She has a roan bull calf at side sired by White Oak Rothes, the well known Lynnwood Farms' Sire and show bull. Stop at Brookdale Farms, Lexington, Ky., and ask Wilbur Nickel to show you the full brother to this calf—he will convince you that Maud 10th produces TOP calves and that her calf at side could make a herd bull for YOU!

**WHITE OAK LINDA 2D** is a deep, thick fleshed cow of ample scale and bone. She's the kind that has made Polled Shorthorns popular and she's the kind that will KEEP them that way! She is a daughter of Collynie Superb 2d, a massive, heavy boned, thick bull who was purchased by Pierce Farms, Inc., Phoenix, Ariz., after White Oak Farm had used him. He sired good ones at both farms. King Collynie Jr., her grandsire, was an improving influence in more herds than any other bull of his day. White Oak Linda 2d has a red heifer calf at side, dropped Jan. 25th, sired by Greentree Clansman, a grandson of Edellyn Royal Leader 2d. She is selling mated to Oakwood Conqueror, our son of Edellyn Royal Leader 2d, who sired the 1952 International Grand Champion, S-G Admiration, as well as the first prize Junior Get of Sire at the same show. Don't pass this "three in one" combination and REGRET it ten years later!

Janesway Gloster 6th x, shown above, sold in our last sale to Creekland Farms, Clinton, South Carolina, at \$1,600. Lester Norton, manager of Creekland, reports her bull calf by Oakwood Predictor to be the best calf ever dropped on that farm.

**FOUNTAIN AUGUSTA** is a richly bred Bruce Augusta that has proven herself one of the best brood cows at Greentree. The red heifer calf at her side, calved Jan. 20th and sired by Greentree Clansman, would further prove our statement. Sultan's Zephyr was a grandson of Highland Stamp, one of the breed's best sires both in this country and in New Zealand. Fountain Augusta is a granddaughter of Daybreak's Collynie, son of the twice International Grand Champion, Lord Collynie, and the 1931 International Grand Champion female, Scottish Daybreak 9th. She's selling mated to Oakwood Conqueror, our champion son of Edellyn Royal Leader 2d, who sired the 1952 International Grand Champion, S-G Admiration, and the first prize Junior Get of Sire at the same International.

**VILLAGE QUEEN** is a top cow, by any measure. Individually, she's the thick, deep bodied kind. She's wide all the way and she swings an udder that could grace a dairy cow. Her record of performance at Greentree was the best. She has a red bull calf at foot, calved Jan. 21st and sired by the 100% de-horner, Mayor Memory, that could solve your herd bull problems. He is a prospect worthy of **SERIOUS CONSIDERATION!** Collynie Type 3d was a great sire for the Hultines and for Lynnwood Farms, who had a first prize Get of Sire by him at the International. Village Type was an Omaha Grand Champion and saw service in the Ryon herd, the Ferguson herd and the R. E. Phillips herd—a real sire. Oakwood Augustine was a Junior Champion son of our first International Grand Champion bull, Oakwood Baron. Consider Village Queen carefully. Study that bull calf that goes with her and then visualize the worth of her mating to Commander in Chief, the Sire Supreme.

Paul Teegardin, Jr. showed this steer, a grandson of Edellyn Royal Leader, very successfully in 1952. He was grand champion over all breeds in both 4-H and open competition at the Atlantic Rural Exposition, Richmond, Virginia. He was also reserve champion Shorthorn steer of the Junior Feeding Contest at the 1952 International.

**GREENTREE CHARLOTTE** is a thick, rugged cow of scale and spread. She is sired by Cherry Hill Sensation, a first prize winner at the 1946 International, and he, in turn, sired the 1949 Congress Grand Champion bull, Farnley Hermes. Loch Dale Gloster O was the top selling female in the 1943 Oakwood Sale at \$2500. She was by the 1938 International Grand Champion, Lee Dale Collynie. Greentree Charlotte is an own granddaughter of Edellyn Royal Leader 2d. She is endowed with three illustrious great grand sires, namely, Edellyn Royal Leader, the All American Favorite, and the two International Grand Champions, Oakwood Emperor and Lee Dale Collynie. She has a red heifer calf at foot, calved Jan. 19th, by Greentree Clansman, a grandson of Edellyn Royal Leader 2d. She is mated to Oakwood Conqueror, Oakwood's son of Edellyn Royal Leader 2d, the sire of the 1952 International Grand Champion, S-G Admiration, and the first prize Junior Get of Sire at the same show. **IMPERIAL MAID 4TH** is a daughter of the 1946 Int. Grand Champion, Master Stamp. She is a dark roan in color and she is a brood cow that's **PROVEN!** She isn't a show cow and she isn't one of the better cows, individually, that we took from the Greentree herd. **WHY** did we choose her? Just have a look at her two daughters, Greentree Maid and Greentree Maid 2d, that look tells the whole story. She is due to calve before the Sale to the mating of Mayor Memory. This cow can cover your farm with **TOP** cattle. She represents one of the few opportunities you'll ever have to buy a daughter of Master Stamp and we will predict that you will **NEVER** have a chance to buy a better producing daughter of that Int. Grand Champion.

We'd like to see this pair stay together . . . one by an International grand champion bull, the other mated to an International grand champion. At the left is Greentree Maid x (Lot 50) by Killearn Max Juggler. At the right is her half sister, Greentree Maid 2d x (Lot 51) by Cherry Hill Balladier x, top bull at an International Sale and a full brother to Cherry Hill Souvenir x, the great McCeney herd bull. **GREENTREE MAID** is a most attractive brood cow prospect by the International Grand Champion, Killearn Max Juggler. We feel that she is as good a polled female sired by this noted champion, and sire of champions, as we have ever seen offered. Moreover, her dam is a daughter of the 1946 International Grand Champion, Master Stamp. Here is an OPPORTUNITY female! Daughters of International Grand Champion bulls out of dams by International Grand Champion bulls are rarely offered! Seldom are they of the calibre of this heifer—sweet headed, thick, level, smooth. She might well produce an International Champion, herself! She is due to calve before our Sale date to the service of Mayor Memory.

The Oakwood kind.

**GREENTREE MAID 2D** is a dark, rich, roan heifer with thickness and spread. We predict a great future for her as a brood cow. She looks the part. She's bred that way. See her dam—see Greentree Maid—break her inheritance down, sire by sire—convincing, isn't it! Cherry Hill Balladier is a full brother to Cherry Hill Souvenir, herd sire at W. H. McCeney's at Capon Bridge, W. Va., and sire of the \$4000 West Hatton Lavender 10th. Balladier was first prize winner at the International and topped the International Sale where he was purchased by Greentree Stud, Inc. Greentree Maid 2d is out of a dam by the 1946 International Grand Champion, Master Stamp. She is due to calve Oct. 10th to the service of the 1952 International Grand Champion, S-G Admiration. REGARDLESS of the cost, that calf could MORE than pay the bill!

Cherry Hill Souvenir x, the famous sire at Sporting Field Farm. He is a full brother to Cherry Hill Balladier x, sire of Lots 51 and 52.

**GREENTREE VIDA 2D** is a thick roan daughter of Cherry Hill Balladier and out of the good cow, Sand Prairie Vida, also selling in this sale. Collynie Compact sired three females to win championship honors at the International for the late Harry Straus, and Sand Prairie Vida was originally owned by Cherry Hill Farm. She sells mated to Oakwood Conqueror, the champion, and sire of the 1952 International Grand Champion bull, S-G Admiration. That calf could be one of the BETTER KIND and she will build a family of GOOD CATTLE for her fortunate new owner.

*"Red" . . . a grand fellow  
and a real cattleman . . .*

There has been team-work between Paul Teegardin and Harvey Ferguson (better known to everyone as "Red") for eleven years. Red has been in charge of the breeding herd, the show herd and the sale cattle during that span of time, and in all these fields he has done a highly creditable job. He has fitted and developed more champions and class toppers in his time at Oakwood than any other herdsman we know of in that period. Paul knows that it takes good cattle, but he also knows that it takes long hours of hard labor and careful attention to keep things going forward, and Red has done a grand job of getting it done. Red knows the herd thoroughly and he will be happy to show you anything, at any time you can visit Oakwood.

Harvey "Red" Ferguson proudly displays one of his charges . . . S & G Admiration, the 1953 International grand champion bull.

All but ten of the females in this offering were officially vaccinated between the ages of four and eight months with Strain No. 19 for Brucellosis. All were pre-tested before vaccination and were negative. Since this is our practice, we have not mentioned vaccination, individually, in our footnotes.

## The Oakwood Influence

This map on the front of the Oakwood auction block tells a convincing story of the influence of a great herd on the cattle stocks of the world. In almost every one of these United States and in eleven foreign countries Oakwood Polled Shorthorns are at work . . . building a greater breed and increasing the profits of their owners. Such recognition must be deserved. Such recognition cannot fail to cause within YOU a great desire to improve the Oakwood way.

*Left—Oakwood Leader x. True to His Name His Calves Have Led Oakwood to Still Greater Triumphs. A bull and a heifer sired by him will sell in this sale.*

## *1950 First Prize*

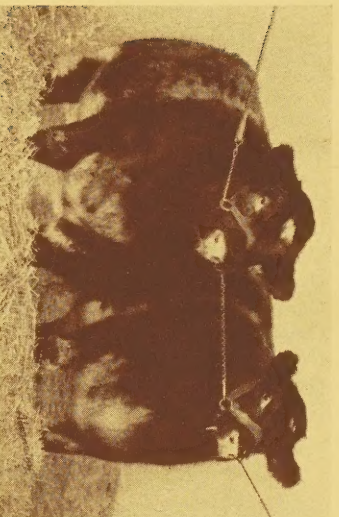

These four sons and daughters of Commander-in-Chief x won first prize in the get-of-sire class at the 1950 International.

## *1951 First Prize Again*

These four sons and daughters of Commander-in-Chief x won first prize in the get-of-sire class at the 1951 International.

We are very proud of the six first prizes, five second prizes and four championships won by Oakwood entries at the 1952 International. However, since ours is a working herd and Oakwood Polled Shorthorns are produced to be sold, we think prospective buyers are interested in more than the picture of any one year. Go back over the records of the International and other leading shows for THIRTY YEARS and you will find that Oakwood bloodlines are responsible for the top winners EVERY YEAR. That's why folks on several continents agree that Oakwood Polled Shorthorns are "best by any test."

Right—First-prize two bulls exhibited by C. B. Teegardin & Sons at the 1951 International. Other Firsts for this pair included the Illinois and Indiana State Fairs.

Left—Bonny Butterfly 4th, the heifer that was purchased by Major H. H. Allen for the famous Hi Ho Farm herd at Phoenix, Maryland, in the 1951 Oakwood Sale. He paid \$2,000 to secure her but the investment paid off quickly because she went right on to win the International grand championship in 1951.

Right—These four sons and daughters of Oakwood Leader x won first prize in the get-of-sire class at the Ohio and West Virginia State Fairs and second prize at the International in 1950.
